

Bullying isn't okay,
And it happens every day,
So we have to do something about it,
And we should never hit!

It can be done in three different ways
So, don't just stand there and gaze!

If you see someone being bullied
Then get a grown up you trust,
That is a must!

There's a new friend in town,
They won't let you down.
If you're feeling sad,
Or really mad,
They'll sort it out,
Without a doubt!
They are really nice,
And they'll give you good advice.
If someone bullies you,
They will sort right through the issue!
