Dear Parent/Carer

RE: Year Six SATs Booster Sessions

As you will be aware, the SATs examinations will be taking place in May (week beginning 8th May 2022), and to support this we would like to invite your child to attend SATs Booster sessions in the run-up to SATs week. We feel that all the children in Year Six would benefit from additional, exam-targeted revision in Grammar and Maths. We appreciate that you and your child may have additional commitments, so we will be offering two weekly sessions - one before and one after school. Both sessions will cover the same content, so your child need only attend one.

If you would like your child to attend, please complete and return the reply slip below by **Wednesday 11th January 2023**. These SATs Boosters will begin the week commencing 16th January.

If your child is attending a session before school, please ensure they have had breakfast before they arrive. If they are attending a session after school, please send your child with a snack.

Yours faithfully,

Mrs Stirling-Wood and Mr Abbas
