

EDITION 6:
SUMMER 2021

Inspired to Write @ BERRY HILL

A celebration of writing

Thank you

What a fantastic year it has been for Writing at Berry Hill. I have been blown away by the amazing pieces of work that have graced the pages of *Inspired to Write*, and I thank you all for reading the children's work.

We have some incredibly talented writers at our school, and we are proud of each and every one of them. Their hard work – both in school and at home – has made this magazine a success.

This final edition of 2020-2021 is a summer writing challenge! On the next page, there are 30 writing challenges for your budding authors to get stuck into! I would love to see the completed challenges, so please save them up and send them to inspiredtowrite@berryhill.notts.sch.uk.

To get you in the summer holiday mood, we round up this edition with a sunny poem from Henri on the last page.

Finally, from everyone at Berry Hill, we wish you a happy and restful summer break.

Happy writing,
Mrs Stirling-Wood
