Feedback Summary

Back in May, we asked for your valuable feedback and here is what we are going to do with it.

We asked you	Your popular answer	We are going to	Our progress
As a PTFA, what do we do well at?	<i>"raising extra money for the children at Berryhill"</i>	Gather ideas and organise a sponsored something event	
As a PTFA, what do we don't well at?	<i>"letting parents know what you spend money on"</i>	Be more open and transparent by: <ul style="list-style-type: none"> • having a billboard at our events • emailing a quarterly newsletter • uploading information to our Facebook group • organising a 'what we do' session for parents 	You should see some fact and figures on this billboard
In terms of events and activities, what should we do more of?	<i>"...events to get the school buzzing like a massive summer fair..."</i>	We will approach other PTFA's from different schools, to see if we can collaborate on a future event.	
In terms of events and activities, what should we do less of?	<i>"...the smarties singled children out and if you had more than one child it would be expensive..."</i>	Not carry out this activity again.	We have recognised that having incentives for the most money raised by individuals, is not good for fund raising.
Any other comments?	<i>"doing a great job thank you so much for your time and effort much appreciated"</i>	We recognise your thanks and with recognition, there is reward. Arrange a fun activity for the team, to make us a better one.	We have arrange a meal out for the team over the festive period.
